Implementing the Reflexive Policy Agenda

Things to think about

- 1 - What do you think might realistically be included in your Reflexive Policy Agenda [e.g. a piece of local legislation, change in human resource management, institutional procedures, approach of people or institutions]?
- 2 - What items on your Reflexive Policy Agenda can be implemented locally?
- 3 - What policy suggestions on your Reflexive Policy Agenda can be lobbied for at a higher governance level?
- 4 - How can you prepare Youth Board members to the fact that implementation may take years and not happen exactly how they envisioned it? How can you manage expectations in this regard?
